

CITY AND COUNTY OF HONOLULU

CONDO RECYCLING PROGRAM

1

‘EKAHI

Know Your ‘Ōpala

The City offers a multitude of residential services for recycling and disposal of your household items, including residential drop-off facilities and bulky item collection. Visit our website at opala.org or contact us at **768-3200** for informational handouts and guides to keep you in the loop about best management practices to help keep our island clean.

2

‘ELUA

Loaner Wheeled Carts

The City offers long-term use of our 96-gallon, wheeled carts for your recycling collection program. To request use of these carts, complete and submit the **Recycling Collection Container Form** found on opala.org. Annual progress reports will be required.

Decals to label your carts with appropriate material types (e.g. aluminum, plastic) are also available.

3

‘EKOLU

Start-up Cost Reimbursement Program

The City will reimburse multi-family property associations or residential building owners for expenditures associated with start-up of recycling programs for their residential facilities. Reimbursement can be up to \$2,000.00 depending on funding availability.

Follow these easy steps to get established:

Step 1: Plan with the City on how you want to organize your recycling program.

Step 2: Fill out the Reimbursement Pre-approval Form.

Step 3: After pre-approval, complete and send the Reimbursement Request Form.

Step 4: Implement and maintain your program and submit annual progress reports to City.

For more information on the Condo Recycling Program, please visit our website at **opala.org** or call us at **768-3200**.
